

Our Mission

Learning for Life provides a stimulating, safe and innovative learning environment for individuals 16+ with a diverse range of learning, emotional, behavioural, and physical disabilities. Our ethos is to safeguard all learners and provide a personalised approach to learning, which encourages building confidence, enabling communication, fulfilling aspirations, and promoting individual choice.

Our Vision

Learning for Life aims to be a leading provider of education and social care, where our learners are given the most enriching and rewarding experience possible.

Our Partners...

We are delighted to be working with these organisations...

- Haystack Inclusive Farm Experience
- Enrichment and Employability
- The Hub Consett
- Sunnyside Methodist Church

Education

“The staff are passionate, dedicated and have excellent communication. They go above and beyond to get to know and care for my son. I am excited for him to learn and progress in a positive environment.

Parent ”

Why choose Education?

Our small classes ensure that our learners receive bespoke lessons, which are tailored to their needs and abilities.

They learn skills to prepare them for adulthood and independence, building upon their previous experiences.

Our education staff are highly skilled Tutors and teaching/learning support assistants who understand how young people learn and subsequently develop.

We actively encourage all learners to celebrate their unique identity and support them to achieve their personal goals, within specific areas such as:

Employability, Independent Living Skills,
Good Health and
Friendships, Relationships and
Community.

Quality education courses

Education learners have the opportunity to access accredited and non-accredited courses in many different areas.

Courses are tailored to individual needs and personal learning goals and targets.

Where we are going...

Each learner has a unique course of study which is designed to bring out the best of their abilities and talents.

A typical week may include:

- Cookery, crafts, and practical exercises
- Literacy, numeracy, and ICT
- Independent living skills
- Voluntary work/work placement
- Employment opportunities
- Sports, good health, and well-being
- Haystack Inclusive Farm Experience
- Accessible sports for all
- Educational trips
- Community activities
- Woodcraft

“My son has really blossomed since starting Learning for Life. He has grown in confidence and the progress he has made is outstanding. The staff are fabulous, extremely caring and provide an overall wonderful atmosphere.”
