

Our Mission

Learning for Life provides a stimulating, safe and innovative learning environment for individuals 16+ with a diverse range of learning, emotional, behavioural, and physical disabilities. Our ethos is to safeguard all learners and provide a personalised approach to learning, which encourages building confidence, enabling communication, fulfilling aspirations, and promoting individual choice.

Our Vision

Learning for Life aims to be a leading provider of education and social care, where our learners are given the most enriching and rewarding experience possible.

Our Partners...

We are delighted to be working with these organisations...

- Haystax Inclusive Farm Experience
- Sunnyside Methodist Church

Social Care

“ My son Jonathan loves his time at Learning for Life. He is so happy there and dislikes being off as he misses all of his friends. Staff do an amazing job, and I can't thank you all enough.

Miss L. Burrridge

Why choose us?

We are a provider of social care services for individuals 16+ with a range of support needs, including those experiencing more profound and multiple learning and physical difficulties.

Our committed team of professionals are passionate about providing a person-centred, stimulating, caring and fun environment where learners can fulfil their potential and prepare for life ahead.

We actively encourage all learners to celebrate their unique identity and help them achieve their personal goals.

Life Skills & Social Care

There are five core areas to ensure all learners' needs are catered for.

We recognise that everyone is unique and we embrace all aspirations.

1 Enjoy and Achieve

We offer a programme of learning that promotes communication, independence and choice, both onsite and in the community.

2 Health and Well-being

This is of utmost importance to us and is integrated into our programme. Learners have access to a wide range of therapies, fitness and exercise programmes.

3 Staying Safe

We actively promote the importance of staying safe in today's society and local community with fun learning sessions.

4 Economic Well-being

Learners engage in social enterprise projects, allowing them to understand more about the world around them.

5 Positive Contribution

Learners sell products in the local community, as well as taking part in litter picking activities, volunteering and raising funds for charitable organisations.

A typical week includes:

- Cookery, crafts, and practical exercises
- Literacy, numeracy, and ICT
- Independent living skills
- Voluntary work/work placement
- Employment opportunities
- Sports, good health, and well-being
- Haystax Inclusive Farm Experience
- Accessible sports for all
- Educational trips
- Community activities
- Woodcraft
- Holistic therapy

“

I love using the Magic Table, talking to my friends, getting my nails painted and having a pamper.

”
